O R D E R

On April 10, 1996, Kentucky CGSA, Inc. ("Kentucky CGSA") filed its application for a certificate of public convenience and necessity to construct a cellular facility at 5700-5708 Outer Loop in Louisville, Jefferson County, Kentucky. In May 1996, the Commission granted full intervention to Honorable Larry Clark, Irv Maze, and Jean Shindlebower in their individual capacities.

Notwithstanding Kentucky CGSA's compliance with the Commission's Order to respond to the parties' concerns, requests have been made for a hearing. Having reviewed the requests, which the Commission treats as motions, and being otherwise sufficiently advised, the Commission finds that the motions should be granted.

IT IS THEREFORE ORDERED that:

1. A hearing on the proposed cell site is scheduled for Thursday, July 11, 1996, at 10:00 a.m., Eastern Daylight Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky.
2. Kentucky CGSA shall appear at the hearing and shall be prepared to present testimony on the engineering design, location, and construction of the proposed cell site,

the safety issues relating to the operation of the cell site, and all other issues raised by the intervenors.

3. Any interested person shall have the opportunity to comment or present testimony on any aspect of the proposed cell site.

4. Pursuant to KRS 100.324, a copy of this Order is being sent to the Jefferson County Planning and Zoning Commission for the purpose of notification that the above-scheduled hearing may affect locations or relocations of service facilities within the planning unit's jurisdiction.

Done at Frankfort, Kentucky, this 18th day of June, 1996.
